

By Alain Strowel, 25 October 2010

Is there a need for a centralized IP court and specialized judges in Belgium?

Judges: what kind of judges do we need for IP litigation in Belgium?

This is the topic of a forthcoming conference organized on 25 October 2010 by the Federation of Enterprises in Belgium. Details of the programme to be found [here](#). (I will make a presentation on the existing competence rules. Report on this conference to be posted in the near future.)
