Brussels Internet & Telecom Seminars (July 16, 2015)

Both Paul Belleflamme and Alain Strowel will contribute to the next *Brussels Internet & Telecom Seminar* that takes place on July 16, 2015 at Fondation Universitaire in Brussels. The theme of the seminar is “**Internet Platforms To regulate or Not to Regulate?**”. We will keep you informed about our interventions.

You can find the program [here](#). You can register on [this page](#).
